

Tenant Fit-up

Coastal Construction has enjoyed a strong relationship with Stop & Shop Real Estate since 1994. Stop & Shop Real Estate is responsible for the profitable leasing of all non-supermarket space. Coastal has been a partner with Stop & Shop Real Estate Division on projects ranging from the demising and preparation of space for future tenants, to Ground-up Construction that provides new space to lease. Coastal Construction coordinates with the entire production team, from the owners and tenants, to the architects and engineers. Our goal is to deliver a final product that meets the satisfaction of all parties. We take great pride earning in our long standing relationship with Stop & Shop Real Estate.
